8 - 11 years + parents 11 am - 12 am

or...come along at any time that suits you -
all welcome! Parking in St Nicholas Park

Tennis for young people

A chance to shine

A warm welcome awaits at Warwick Boat Club, for players of all ages and abilities. The Junior section supports young players, whether they just want to have fun or to set their ambitions on competitive play. As soon as they are able to hold a racquet they can join and membership costs just £25 per year for under eights - plus there are discounts for family membership.

The club has a beautiful setting on the banks of the river Avon, below the walls of Warwick Castle. There are 11 artificial grass courts many of which are floodlit, so all year round play is guaranteed. The club also has two squash/racquetball courts, rowing on the river and a bowling green.

Tennis membership gives juniors access to regular coaching, arranged games, club matches, competitions and tournaments. The club is an active member of the Lawn Tennis Association (LTA) and talented players have the chance to join performance squads, county teams and the ladder to national

and international play. For those who prefer social play we have regular sessions for juniors, adults and family mix ins. Warwick Boat Club has a team of 5 coaches. They will help young players to progress according to age and ability.

Parents are welcome to come to the club, and many choose to join too. As well as playing with their children there are many opportunities to join club sessions where games are arranged for you. Also, to participate in competitions, team play and social events that are organised throughout the year.
