HIT THE RIGHT SPOT

TENNIS • TENNIS • TENNIS

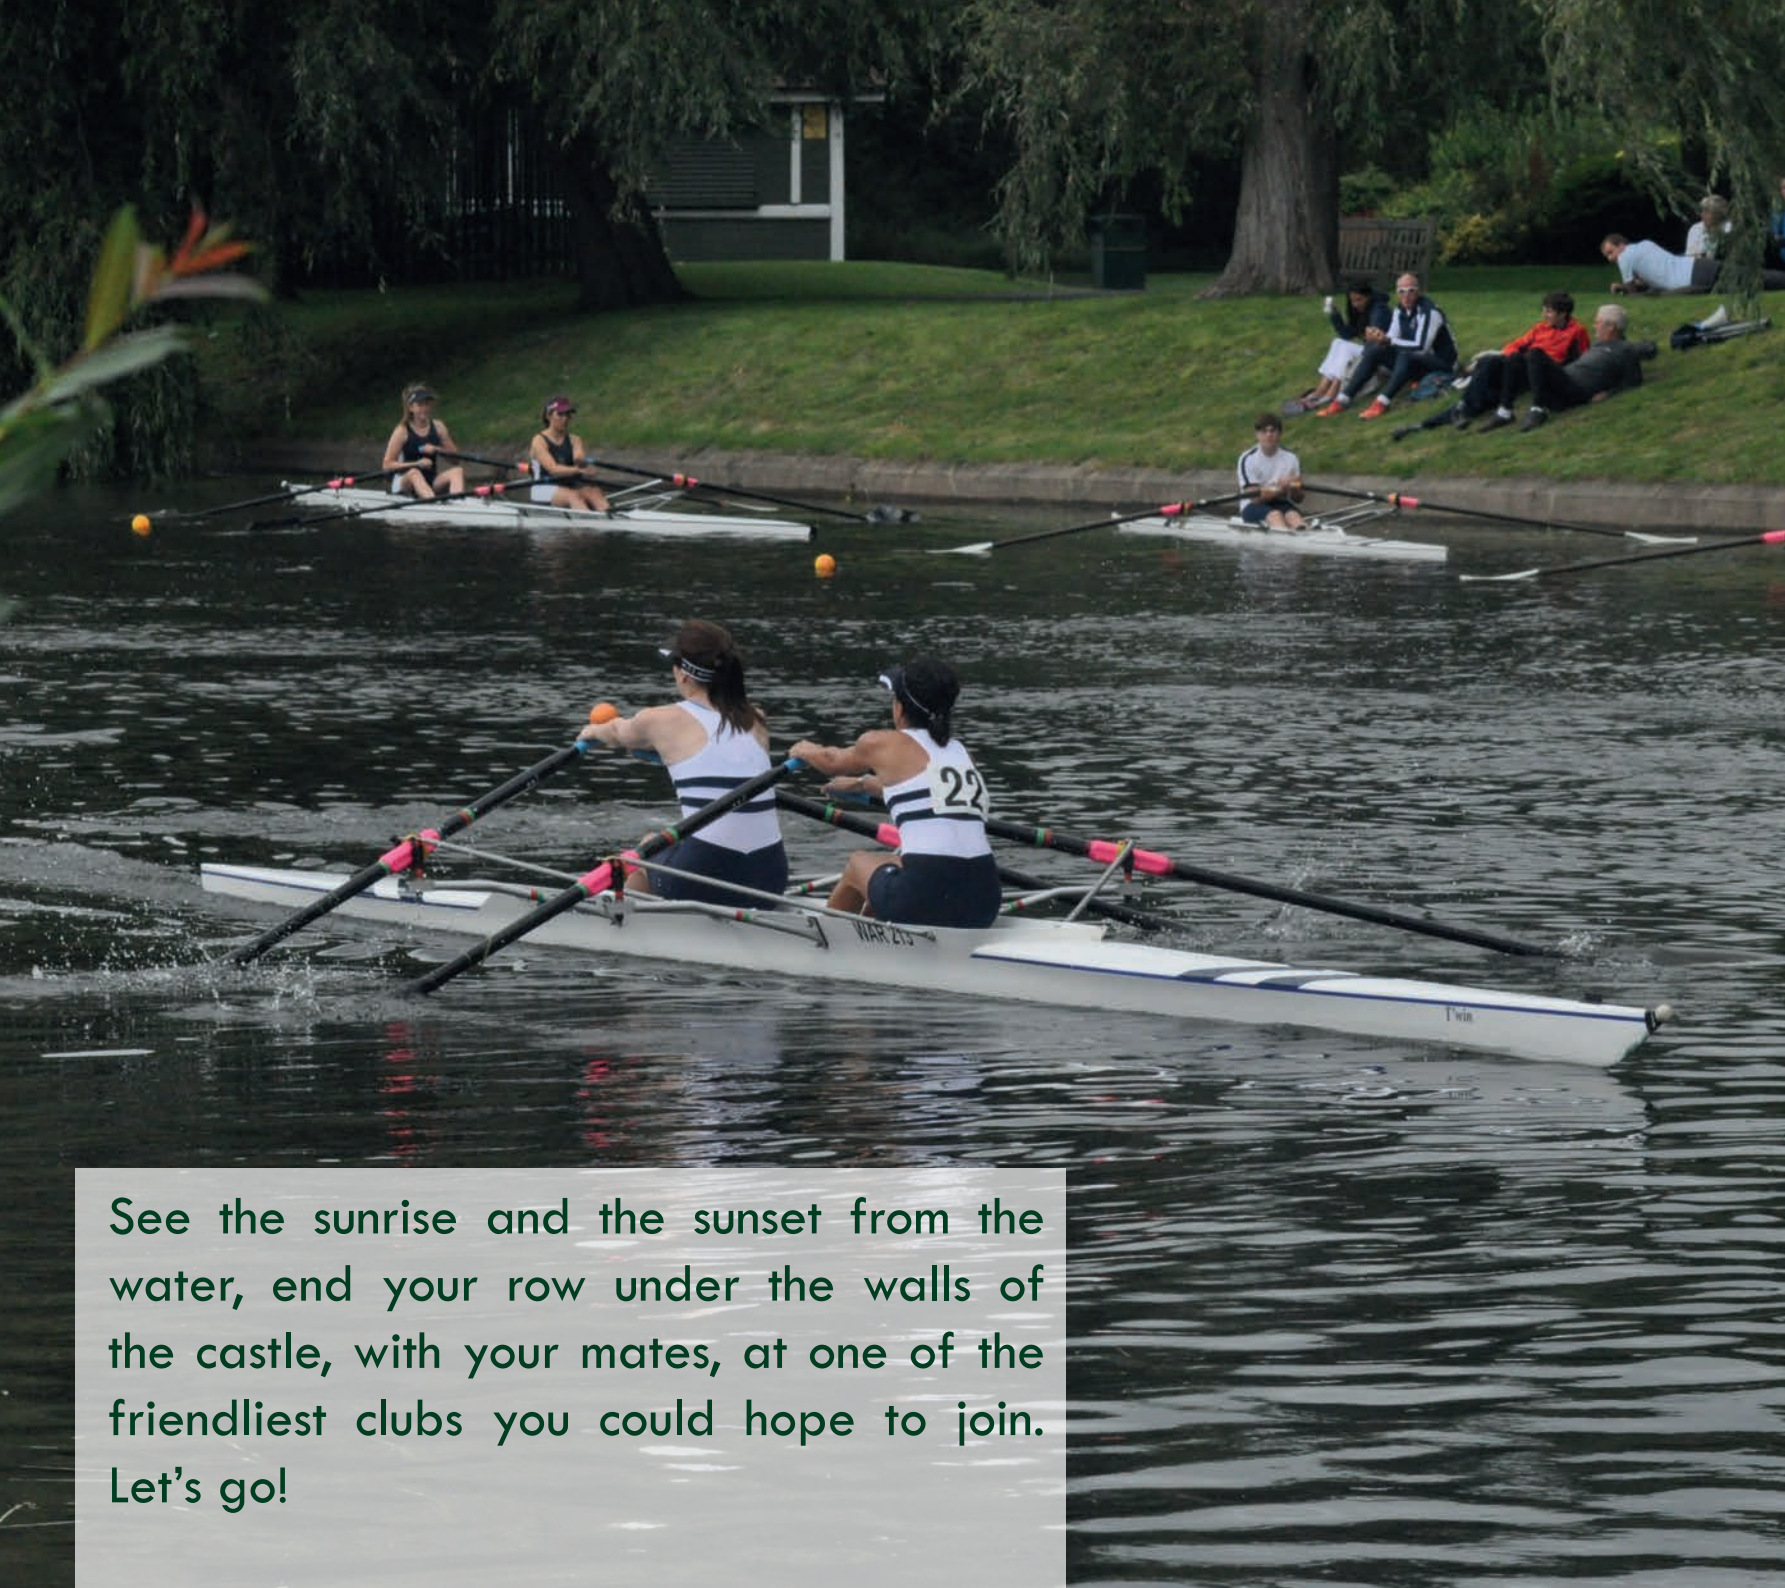

Something for everyone, at one of the busiest clubs in the country. Whether you want a relaxing game during the day, a chance to improve, a fierce competitive tussle or just to meet new friends, you are in the right place.

The tennis club holds a myriad of coaching and learning opportunities for young and old alike. There are social mix-ins where you just turn up and our tennis manager arranges games, and opportunities for pre-arranged games at most other times. We have nine men's and ladies' summer teams, plus winter and age-group teams (both junior and veterans) along with club and social competitions.

TENNIS FOR ALL STANDARDS AND ALL AGES

Most of all you can have fun, do some winning (and some losing) with friends.

See the sunrise and the sunset from the water, end your row under the walls of the castle, with your mates, at one of the friendliest clubs you could hope to join. Let's go!

Warwick Boat Club caters for all levels of skill and ambition, from beginners to those getting back to it, and experienced, accomplished rowers. Qualified coaching is also on offer.

COORDINATION TIMING SKILL ...

BOWLS • BOWLS • BOWLS

Bowlers play with heart and not a little skill, seeing openings and opportunities. Relax and enjoy the game, the friends, the social and the ups and downs. Warwick Boat Club has a four-rink green in one of the prettiest, most interesting locations possible. Bowl for fun, for your team, in club, inter-club or national competitions or go on tour. We set the scene, you choose the play.

Come to our bowls academy on a Monday morning in the summer, give it a go and see what you think.

The younger crowd....are our future. Let them try stuff, see what they like, see what they love, see what makes them shine and help them to be the best they can be.

WBC is a family club and we love to see our youngsters do well, with a smile on their faces. The facilities are superb, so if the younger ones are going to enjoy sport they'll certainly do so at Warwick Boat Club.

TIME OUT

When the gala, regatta, match and game comes to an end stay for a drink, and maybe some food. Social time is good and an essential part of club life. Talk to your mates, watch the game on TV, drink coffee, have a beer, relive your match, make friends and plan your next visit.
